MITSUBISHI MUT-III SCAN TOOL AFTERMARKET RENTAL AGREEMENT

This aftermarket rental agreement is entered into by and between Mitsubishi Motors North America, Inc. (MMNA) and the undersigned ("Customer"). The Mitsubishi MUT-III is rented solely for the purpose of initializing new PCMs (Powertrain Control Modules), and for reprogramming (reflashing) PCMs in Mitsubishi vehicles sold by MMNA; no other use is authorized.

The chart below shows the tools contained in the MUT-III Scan Tool Kit, MIT-46973-RENT-A. These tools are rented for a two-week period (14 days) subject to:

- A. A \$149.00 rental fee for a two-week period, charged in advance to your credit card.
- B. Applicable state sales or use tax, charged in advance to your credit card
- C. A shipping charge of \$100 overnight, insured delivery and return shipping, charged in advance to your credit card.
- D. A refundable \$2000.00 security deposit charged in advance to your credit card.
- E. A \$20.00 per tech support call charge to the MMNA MEDIC Hotline, to be deducted from your security deposit.

This contract must be signed by the customer, who must acknowledge and agree they have read and understand the terms set forth by this agreement.

Rental MUT Scan Tool Components			
	DESCRIPTION	PART NO.	REPLACEMENT VALUE (05-16-17)
1	Panasonic CF-31 Toughbook with Media Drive, 1GB RAM, with preloaded MUT-III and MUT-III SE STV software	MIT540031	\$3,510.38
2	Vehicle Communication Interface-Lite (VCI-Lite)	MB992744V	\$1,461.15
3	Mini USB Cable, VCI-Lite	RRAR1MBR108GL	\$25.00
4	Harness A-L (blue)	MB992745V	\$211.15
5	Harness B-L (Black)	MB992746V	\$297.50

7	Case	MB992023	\$116.44
8	Optical USB Mouse	31P8410	\$57.74
9	AC / DC Power Adapter	549511	\$138.19

Contract Terms

- a. Components 1 through 9 listed above will remain the property of MMNA while rented to the customer.
- b. Failure to return components listed above to MMNA within 3 days of the end of the two-week rental period will result in immediate forfeiture of the rental deposit.
- c. All hardware and software components listed above are in working order as shipped. Upon return, the MUT-III Kit will be inspected for missing or damaged components. If there are no missing components or damage, your security deposit will be fully refunded. Any missing components, or damage due to misuse or abuse will result in customer being charged the then current replacement value for any or all of the damaged or missing components at MMNA's sole discretion.
- d. Only the MUT software provided by MMNA may be operated on the Toughbook; no other software may be installed. Unauthorized software installation or modification may result in security deposit forfeiture, at MMNA's sole discretion.
- e. All risk of loss shall be the responsibility of the Customer from the date of shipping until the equipment is returned

Authorized Customer Approval: The undersigned hereby represents and warrants they acknowledge and are bound by the terms and conditions set forth above.

Authorized Signatory Name (print): _____ Telephone: _____
