

Hello Security Professionals,

We have made changes to the Security Professional account. We are now using a Pay Per Keycode model.

You will be provided 1 free keycode when you purchase a Security Professional account or if you renew and existing account.

To purchase Keycode Credits please follow these instructions.

1. Login to your Toyota Security Professional Account.
2. Open the Security Tab.
3. Click "Buy Keycodes" button.

The screenshot shows a web application interface for Toyota Security Professionals. At the top, there are three main tabs: 'Library', 'Diagnostics', and 'Vehicle Inquiry'. Below these, there are three sub-tabs: 'ScanTool', 'Reprogramming', and 'Security'. The 'Security' tab is currently selected. The main content area is titled 'Secure Data Release' and contains the following text: 'Access to vehicle security information is provided for security professionals registered with the NASTF Automotive Locksmith Registry. For more information on the registry [click here](#).' Below this text is a login form with the prompt 'Please enter your credentials below:'. The form includes two input fields: 'LSID:' and 'Passcode:'. There are also 'Clear' and 'Login' buttons. To the right of the login form, there is a box that says 'Keycodes credits available: 1' and a 'Buy Keycodes' button. Below the 'Buy Keycodes' button, there is a red note: 'NOTE: Maximum permitted keycodes for an account is 20'.

4. This will open a popup window to purchase Keycodes.
NOTE: If you don't see the popup window, your browser might be blocking it.

5. Fill in the required information and click "Submit".

Number of Keycodes: 1

Total Cost: \$20.00

To prove that you are human, please answer the below question

Question: How many letters are there in the word RED?

Refresh

Close Submit

6. Fill in the required information and click "Process Order Now".

Number of Keycodes: 1

Total Cost: \$20.00

Name on Card:

Credit Card Number:

CVC Number: [What's this?](#)

Expiration Date: :

Cancel **Process Order Now**

Please note that your credit card will be billed immediately after this purchase.

7. You will see a successful transaction screen with the number of Keycodes purchased. Close this window.

Number of Keycodes: 1

Total Cost: \$20.00

Successfully completed credit card transaction.

Please close this window and if the number of keycodes doesn't reflect your recent purchase please refresh the page.

NOTE: If your account does not show the keycodes that you purchased, refresh your screen.

8. Use your LSID to login and retrieve Keycodes.

NOTE: Every time you retrieve a Keycode you use one of your Keycode credits.

You can now check to see if Toyota has a Keycode for a specific VIN without a Techinfo account.

On the Techinfo home page go to the “Keycode Check” tab and enter your LSID, Passcode, and VIN. Click “Ok” and you will see a Yes or No response.
