

NASTF Technician Outreach 2013 culminates in a March 11, 2013 drawing for one pair of limited edition work gloves signed by Leonard Wood, NASCAR Hall of Fame mechanic.

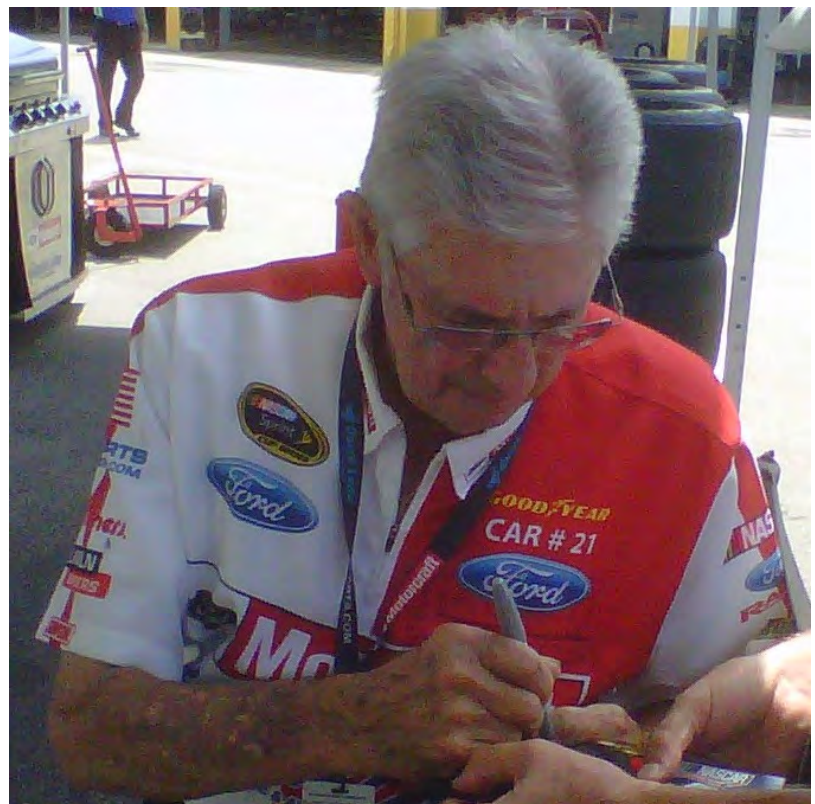

These Patriot Edition Mechanix Wear gloves are a limited edition produced in 2012 to benefit NASCAR Unites, which supports U.S. military families.

Leonard Wood signed the gloves for NASTF on July 6, 2012 at the Daytona International Speedway.

Leonard is hailed as the one responsible for choreographing today's efficient pit stops and will be inducted into the NASCAR Hall of Fame on February 8, 2013 in Charlotte, NC.

NASTF recognizes him as the "First Fastest American Mechanic".
